

**Major
Highways**

Major Highways

Major interstate highways move goods to every major city in the Western Hemisphere. I-75 begins at the Canadian border with northern Michigan and runs to South Florida. I-94 starts at Michigan's eastern border with Canada and goes through both Detroit and Chicago on its way to the West Coast.

All Michigan highways are toll free.

Interstate Highways 1,241 mi (1,997 km)

U.S. and State Trunklines 8,480 total mi (15,644 km)

Michigan-Canada Links
3 vehicle bridges, 1 vehicle tunnel
